

Clarence E. Chapman Photo Collection, 1916-1918
SCHS 514.00

Description: 0.25 linear foot

Scope and Content: The Chapman Collection consists of approximately 740 snapshot photographs (3.25x2.25, B/W, ca.1916-1918) taken by Clarence E. Chapman on and near Mulberry Plantation. The images document the work to restore the exterior of the house as well as the landscape, the cultivation of rice, the Chapman family, and scenes from the lives of the African Americans who worked on and near the property.

Preferred Citation: [Folder #, identification # of image], The Clarence E. Chapman Photograph Collection, 1916-1918. The South Carolina Historical Society, Charleston, South Carolina, USA.
