

John McCrady plat collection, 1696-1924
SCHS 510.00

Description: 8 linear ft. (7 boxes + 4 oversized drawers)

Scope and content: This collection consists of over 600 primarily eighteenth and nineteenth century plats (some are copies of earlier plats) pertaining to properties in the Lowcountry, including the parishes of St. Thomas & St. Denis, St. Andrews, Prince Frederick, St. Stephens, St. Luke, St. Peters, St. Johns, St. Bartholomew, St. Paul, St. George Dorchester, St. James Goose Creek, and Prince William Parish. Areas named include Charleston, Edisto Island, Johns Island, and Wadmalaw Island. Several plats relate to properties outside the Lowcountry.

In 2007, the South Carolina Historical Society was awarded a grant through SCHRAB which provided funding for three graduate students to create an inventory of the John McCrady Plat collection. The information provided in this finding aid is the result of their labor.

Preferred citation: McCrady, John, 1884-1955. John McCrady Plat Collection (0510.00) South Carolina Historical Society.
