Albertype Postcard Company Collection, 1890-1952 (bulk 1900-1952) SCHS# VM 0556.00

Description: 4.75 linear ft. (6 boxes)

Biographical/Historical Note: The Albertype Company, originally known as Wittemann Brothers, was founded in 1890 by brothers, Adolph and Herman L. Wittemann, as a postcard and viewbook company. The company, located in Brooklyn, New York, began to use what were then "new technologies" such as the albertype to reproduce photo-mechanical images. Agents working for the company took photographs of landmarks in different cities and regions across the United States and created more than 25,000 prints from 1890 until the companies closed in 1952.

Scope and Content: This collection chiefly consists of images containing scenes from various locales in South Carolina. While the bulk of the collection includes lowcountry South Carolina (mainly the counties of Charleston, Beaufort, and Berkeley), additional areas are Camden, Greenville, Orangeburg, Rock Hill, and Sumter. It contains nearly two thousand negatives of photographs of churches, historic homes, streetscapes, textile and cotton mills, town squares, parks, and scenic sights in South Carolina. Locales include the areas of Abbeville, Anderson, Batesburg, Leesville, Belton, Bennettsville, Blackville, Caesar's Head, Charleston, Cheraw, Chick Springs, Clemson, Clinton, Columbia, Conway, Darlington, Due West, Florence, Georgetown, Greenwood, Hartsville, Laurens, McColl, Myrtle Beach, Newberry, Ridgeland, River Falls, Spartanburg, Summerville, Westminster, White Rock, and Winnsboro.

Preferred Citation: Albertype Postcard Company Collection, 1890-1952 (bulk 1900-1952). (VM 0556.00) South Carolina Historical Society.
