

SOUTH CAROLINA HISTORICAL SOCIETY

Research Services: Genealogy

The staff at the South Carolina Historical Society (SCHS) is happy to assist you with your research. Please keep in mind that we are only able to search the materials held by the SCHS and even an exhaustive search may not uncover the information you are seeking. While we cannot guarantee results, we will make every effort to help you by documenting all sources consulted during our research. If an individual did not spend a significant amount of time in South Carolina, the Society may not have information pertaining to him or her. Please note that the Society does not have the censuses of South Carolina in its holdings and only abstracts from newspapers. **The average length for a search is approximately six to eight weeks.**

Information on Individual to be searched

Please Complete as Much as Possible and Print Legibly
