

# SOUTH CAROLINA HISTORICAL SOCIETY

Dear SCHS Members and Visitors,

In compliance with governmental restrictions and public health warnings, the SCHS archives, museum and administrative offices are closed until further notice. In addition, all events that were scheduled through April 30<sup>th</sup> are postponed, including the SCHS Annual Meeting. The Executive Committee of our Board of Managers and the staff will continue to support the mission of the SCHS.

During this period of social distancing and closures, we want to stay in touch with you. Staff may be reached by email or phone and we will update our website as needed. Please stay engaged with us through our Facebook posts. We appreciate your help and support during this crisis and encourage you to be mindful of your own health.

Thank you,
