

SOUTH CAROLINA HISTORICAL SOCIETY

Dear SCHS Members and Visitors,

We have been paying close attention to the public health notices related to the COVID-19 respiratory virus. Thankfully, we have no COVID-19 cases in connection with the SCHS staff or volunteers. However, we know that you are concerned and we want to assure you that we are taking precautions to prevent the spread of the virus. The staff has increased monitoring, cleaning, and disinfecting all facilities. Currently, there is no major outbreak in the Charleston area and the Governor of South Carolina has encouraged citizens to continue normal routines. The SCHS Museum at 100 Meeting Street and our Archives at Addlestone Library are open as usual. We are monitoring safety instructions by both governmental and health officials and will, of course, follow all guidelines issued.

In compliance with recommendations concerning events with large attendance, the SCHS Annual Meeting is postponed. Our Executive Committee met yesterday and, in order to assure the well-being of our members and guests in the current health crisis, they agreed to postpone the reception and annual meeting of the South Carolina Historical Society until further notice. Refunds will be issued to anyone who has prepaid for the March 28th event.

Thank you,

A handwritten signature in cursive script that reads "Faye L. Jensen".

Faye L. Jensen, Ph.D.
Executive Director
