

# SOUTH CAROLINA HISTORICAL SOCIETY

## SCHS Addressed Postcard Collection

SCHS # VM 0727.00

**Description:** 2 boxes (0.75 linear feet)

**Scope and Content:** This collection contains postcards of mostly Charleston area sites, including churches, parks, street views, and other landmarks. It also contains postcards of Columbia area sites, as well as some other South Carolina cities and towns. A small portion consists of postcards that are of sites out of state or out of the country. Many of the postcards were separated from SCHS manuscript collections and contain correspondence either to or from South Carolinians.

### Series Outline:

- Charleston Churches
- Charleston Gardens and Parks
- Charleston Monuments
- Charleston Street Views
- Charleston Historic Buildings
- Charleston Bridges & Beaches
- Charleston-Other
- Columbia, S.C.
- South Carolina
- Out of State

**Related Material:** SCHS general postcard collection also available containing postcards from various South Carolina cities, towns, and other sites. Ask archivist for details.
